

# STANDARDS FOR ALL INDUSTRIES

COMPLIANCE	Adhere to CDC Guidelines for Businesses and Employers	<a href="https://www.cdc.gov/coronavirus/2019-ncov/community/organizations/businesses-employers.html">https://www.cdc.gov/coronavirus/2019-ncov/community/organizations/businesses-employers.html</a>
	Adhere to ND Department of Health Recommendations and Resources for the Public	<a href="https://www.health.nd.gov/diseases-conditions/coronavirus">https://www.health.nd.gov/diseases-conditions/coronavirus</a>
	Complete the Workplace Assessment Tool for COVID-19	<a href="https://www.health.nd.gov/sites/www/files/documents/Files/MSS/coronavirus/Workplace_self_assessment_ND.pdf">https://www.health.nd.gov/sites/www/files/documents/Files/MSS/coronavirus/Workplace_self_assessment_ND.pdf</a>
	Tribal Areas	Any business located within the exterior boundaries of a reservation is subject to additional requirements under tribal law.
MOVEMENT AND ACTIVITY	Gathering Size	<p>Risk levels and color-coded health indicators provide situational awareness to help make informed decisions and make adjustments necessary in industry guidelines in order to prevent further spread and impact of the virus in communities; especially among vulnerable populations. The following recommendations for industry protocols should be followed along with meeting public health criteria to ensure there is no increased risk of exposure or uncontrolled transmission in the community.</p> <ul style="list-style-type: none"> <li>Capacity should be limited to a percentage of normal operating capacity for controlled and managed facilities or capped at a total number. If there is no way to control access of entry (egress), spread out activities to double the normal footprint. <ul style="list-style-type: none"> <li>» <b>Red/Critical Risk Level</b> — This is the area with the highest disease burden and level of significant and uncontrolled community transmission, multiple outbreaks resulting in increased deaths, surge capacity of hospitals are threatened, and there is lack of adequate PPE supplies available for healthcare workers. Only essential travel and services are open.</li> </ul> </li> </ul> <p>(CONTINUED ON NEXT PAGE)</p>

# STANDARDS FOR ALL INDUSTRIES (CONTINUED)

<b>MOVEMENT AND ACTIVITY</b>	<b>Gathering Size</b>	<ul style="list-style-type: none"> <li>» <b>Orange/High Risk Level</b> — This is the level of significant transmission and risk for exposure due to widespread community spread of infections. Implement strategies emphasizing Stay Home. Stay Healthy. Stay Connected. Only essential work and travel are open. Limit gathering size to 10 people or less. Additional restrictions for high-risk individuals, personal care services are closed, schools are closed but offering distance learning, home is highly encouraged when gatherings, events and fitness and recreational centers are closed and foodservice operations are limited to takeout or delivery.</li> <li>» <b>Yellow/Moderate Risk Level</b> — This is the level of heightened risk for exposure but where transmission is controlled in the area AND health criteria is met. Group gatherings are limited by certificate of occupancy for the room or seating area according to industry-specific Smart Restart protocols and social distancing is maintained. Cancel gatherings of any size where distancing cannot be maintained.</li> <li>» <b>Green/Low Risk Level</b> — This is the level of low risk for exposure and when transmission is controlled in the jurisdiction AND health criteria is met. Group gatherings are limited by certificate of occupancy for the room or seating area according to industry-specific Smart Restart protocols and social distancing is maintained. Cancel gatherings of any size where distancing cannot be maintained.</li> <li>» <b>Blue/New Normal Level</b> — This is the lowest level of risk for exposure and when transmission in the jurisdiction AND health criteria is met. It is the time when most normal occupancy activity can resume with heightened cleaning, standard precautions and awareness of health guidelines.</li> </ul>
	<b>Physical Distancing</b>	Mark six-foot increments where lines form.
	<b>Workplace Activity</b>	<p><b>Post signage (state provided)</b> at all entrances of the facility informing all employees and customers that they should:</p> <ul style="list-style-type: none"> <li>• Avoid entering the facility if they have a cough or fever.</li> <li>• Maintain a minimum six-foot distance from one another.</li> <li>• Wash their hands often with soap and water for at least 20 seconds.</li> <li>• Limit unnecessary contact such as hugging and shaking hands.</li> </ul> <p>(CONTINUED ON NEXT PAGE)</p>

# STANDARDS FOR ALL INDUSTRIES (CONTINUED)

<p><b>EMPLOYEE AND CUSTOMER SAFETY AND TRUST</b></p>	<p><b>Personal Protective Equipment (PPE)</b></p>	<p>Encourage use of cloth face coverings to employees and contracted workers whose duties require close contact (within 6 feet for 10 minutes or more) with other employees and/or the public.</p>
<p><b>EMPLOYEE AND CUSTOMER SAFETY AND TRUST</b></p>	<p><b>Hygiene and Cleaning</b></p>	<ul style="list-style-type: none"> <li>• Provide contactless payment systems or, if not feasible, disinfect all payment portals, pens and styluses after each use.</li> <li>• Provide hand sanitizer, soap and water or effective disinfectant at or near the entrance of the facility and in other appropriate areas for use by the public and employees, and in locations where there is high-frequency employee interaction with members of the public (e.g. cashiers). Keep chemicals out of reach of small children. Restrooms normally open to the public shall remain open to the public with heightened hygiene and cleaning standards..</li> <li>• Regularly disinfect other high-touch surfaces according to industry standard operating procedures in conjunction with Personal Protective Equipment (PPE) use for staff.</li> </ul>
	<p><b>Special Measures</b></p>	<ul style="list-style-type: none"> <li>• Develop policies and procedures for prompt identification and isolation of sick staff and customers.</li> <li>• Encourage customers to download the Care19 App collection to increase success levels with contact tracing. <a href="https://BeLegendary.link/Care19">BeLegendary.link/Care19</a></li> </ul>

<p><b>COMPLIANCE</b></p>	<p><b>Also Adhere to General Standards for all Industries</b></p> <p>It is critically important that jurisdictions continue to monitor local health criteria (number of cases reported, risk of transmission, level of community spread) and take necessary precautions to protect vulnerable populations to safely determine health guidance and mitigation measures.</p>	
<p><b>MOVEMENT AND ACTIVITY</b></p>	<p><b>Gathering Size</b></p>	<p>Red/Critical Risk Level:</p> <ul style="list-style-type: none"> <li>• Recommend closure.</li> </ul> <p>Orange/High Risk Level:</p> <ul style="list-style-type: none"> <li>• Recommend activities limited to take-out, curbside or delivery only.</li> </ul> <p>Yellow/Moderate Risk Level:</p> <ul style="list-style-type: none"> <li>• Capacity should be limited to 50% of normal operating capacity.</li> </ul> <p>Green/Low Risk Level:</p> <ul style="list-style-type: none"> <li>• Capacity should be limited to 75% of normal operating capacity.</li> </ul> <p>Blue/New Normal:</p> <ul style="list-style-type: none"> <li>• Normal occupancy capacity applies.</li> </ul>
	<p><b>Physical Distancing</b></p>	<p>Red/Critical Risk Level:</p> <ul style="list-style-type: none"> <li>• Recommend closure.</li> </ul> <p>Orange/High Risk Level:</p> <ul style="list-style-type: none"> <li>• Recommend activities limited to take-out, curbside or delivery only.</li> </ul> <p>Yellow/Moderate Risk Level:</p> <ul style="list-style-type: none"> <li>• Allow for 6 feet of spacing between groups: increase table spacing by removing tables, marking tables closed or provide a physical barrier between tables. Back to back booth seating is allowed.</li> <li>• Waiting areas (indoor or outdoor) should be marked so physical distancing standards are met. Restaurants can determine policy for wait areas.</li> <li>• Tables should be limited to 10 people per table (existing group, for example family).</li> </ul> <p>Green/Low Risk Level:</p> <ul style="list-style-type: none"> <li>• Yellow protocols are strongly recommended with the following exceptions:           <ul style="list-style-type: none"> <li>» Tables can seat more than 10 if part of an existing group, for example family. Maintain distancing between tables.</li> </ul> </li> </ul> <p>Blue/New Normal:</p> <ul style="list-style-type: none"> <li>• Normal occupancy and activities can resume, with heightened cleaning, standard precautions and awareness of health guidelines TBD.</li> </ul> <p>(CONTINUED ON NEXT PAGE)</p>

# RESTAURANTS, BARS, ETC. (CONTINUED)

<p><b>MOVEMENT AND ACTIVITY</b></p>	<p><b>Workplace Activity</b></p>	<p>Red/Critical Risk Level:</p> <ul style="list-style-type: none"> <li>• Recommend closure.</li> </ul> <p>Orange/High Risk Level:</p> <ul style="list-style-type: none"> <li>• Recommend activities limited to take-out, curbside or delivery only.</li> </ul> <p>Yellow/Moderate Risk Level:</p> <ul style="list-style-type: none"> <li>• In-house dining areas for quick service restaurants should meet all guidelines with tables to be sanitized between customers or if that is not possible offer only take-out.</li> <li>• Customer self-service operations including salad bars and buffets, may operate as long as pre-portioned servings are prepared or portions are served by staff. Buffet and salad bar in-use serving utensils should only be used by staff and washed, rinsed and sanitized every 4 hours.</li> <li>• Standing in bars is not recommended. Bar stool seating can be allowed for 1-2 guests, with 6 feet of separation between groups.</li> <li>• Foodservice offered for takeout at grocery stores, convenience stores or other outlets should follow restaurant protocols and customer self-service guidance similar to buffets, salad bars, and beverage stations.</li> </ul> <p>Green/Low Risk Level:</p> <ul style="list-style-type: none"> <li>• Yellow protocols are strongly recommended with the following exceptions:             <ul style="list-style-type: none"> <li>» Bars operate with increased standing room occupancy that allows for social distancing. Consider use of dart boards and pool tables as long as gaming equipment is not shared between customers or can be properly cleaned and disinfected between use.</li> </ul> </li> </ul> <p>Blue/New Normal:</p> <ul style="list-style-type: none"> <li>• Normal occupancy and activities can resume, with heightened cleaning, standard precautions and awareness of health guidelines TBD.</li> </ul>
<p><b>EMPLOYEE AND CUSTOMER SAFETY AND TRUST</b></p>	<p><b>Hygiene and Cleaning</b></p>	<p>Red/Critical Risk Level:</p> <ul style="list-style-type: none"> <li>• Recommend closure.</li> </ul> <p>Orange/High Risk Level:</p> <ul style="list-style-type: none"> <li>• Recommend activities limited to take-out, curbside or delivery only.</li> </ul> <p>Yellow/Moderate Risk Level:</p> <ul style="list-style-type: none"> <li>• Drink refills should not be allowed unless served in a clean unused glass or cup.</li> <li>• Menus should be single use paper or on a material that can be sanitized after each use.</li> <li>• Drink coasters should be single-use or of a material that can be cleaned and disinfected after each use.</li> <li>• Recommend contactless payment options or electronic payment devices that can be cleaned and disinfected after each use.</li> <li>• Self-service cups should only touch the beverage dispenser lever. Beverage stations that are not touch free should be cleaned after each use.</li> </ul> <p>(CONTINUED ON NEXT PAGE)</p>

# RESTAURANTS, BARS, ETC. (CONTINUED)

## EMPLOYEE AND CUSTOMER SAFETY AND TRUST

### Hygiene and Cleaning

- Disposable cups, straws and utensils should be handled by staff only and served to the customer, be individually wrapped or dispensed to prevent contamination by the customer.
- Bar straws and coffee stir sticks should only be handled by staff and are served in drinks to customers or individually wrapped.
- Self-service condiments should be eliminated and provided by request in single use or disposable containers.
- All restaurants should allow for a minimum of 4 hours between closing and reopening daily to clean.

#### Green/Low Risk Level:

- Yellow protocols are strongly recommended.

#### Blue/New Normal:

- Normal occupancy and activities can resume, with heightened cleaning, standard precautions and awareness of health guidelines TBD.

### Special Measures

#### All Levels:

- Encourage customers to download the Care19 App collection to increase success levels with contact tracing.  
[BeLegendary.link/Care19](https://BeLegendary.link/Care19)

#### Red/Critical Risk Level:

- Recommend closure.

#### Orange/High Risk Level:

- Recommend activities limited to take-out, curbside or delivery only.

#### Yellow/Moderate Risk Level:

- Blackjack and poker tables should remain closed. Gaming machines should be separated by a solid barrier such as plexiglass when feasible, or by a minimum distance of 6 feet or placed out of service.
- Hand-held entertainment or reservation notification devices are not recommended; if used, clean and disinfect between customers.
- Dance floors should remain closed.
- BINGO games should be single-use paper disposed after use or made of material that can be cleaned and disinfected after each use. Avoid sharing equipment unless proper cleaning and disinfecting occurs between use.

#### Green/Low Risk:

- Yellow protocols are strongly recommended with the following exceptions:
  - » Consider use of hand-held entertainment and reservation notification devices (buzzers) if proper cleaning and disinfecting occurs between use.
  - » Gaming including blackjack and poker can resume with precautions taken for social distancing while minimizing transmissible moments such as avoid sharing playing cards and chips; BINGO dobbers and reusable BINGO cards; unless proper cleaning and disinfecting occurs between use.

#### Blue/New Normal:

- Normal occupancy and activities can resume, with heightened cleaning, standard precautions and awareness of health guidelines TBD.

<p><b>COMPLIANCE</b></p>	<p><b>Also Adhere to General Standards for all Industries</b></p> <p>It is critically important that jurisdictions continue to monitor local health criteria (number of cases reported, risk of transmission, level of community spread) and take necessary precautions to protect vulnerable populations to safely determine health guidance and mitigation.</p>

# MASSAGE THERAPY (CONTINUED)

## EMPLOYEE AND CUSTOMER SAFETY AND TRUST

### Personal Protective Equipment (PPE)

Yellow/Moderate Risk

- Providers are encouraged to wear eye protection during procedures that may have risk for aerosolization.
- Clients, providers and staff are encouraged to wear cloth masks.
- Ensure proper PPE use and sanitation technique training available to all providers.

Green/Low Risk:

- Yellow protocols are strongly recommended.

Blue/New Normal:

- Normal occupancy and activities can resume, with heightened cleaning, standard precautions and awareness of health guidelines TBD.

### Hygiene and Cleaning

Red/Critical Risk

- Recommend closure.

Orange/High Risk

- Recommend closure.

Yellow/Moderate Risk

- More frequent hand washing is strongly encouraged.
- Businesses should develop enhanced cleaning protocols for workstations, equipment, restrooms, treatment rooms and waiting areas.
- Adjust appointment times for enhanced cleaning between customers.
- Remove unnecessary decorations and waiting room items that cannot be sanitized.
- Products such as oils and lotions should be removed from the treatment room and the bottles sanitized between uses.
- Massage table accessories such as pillows, cushions and bolsters used during services should be disposable or covered with a material that can be sanitized.
- Laundry should be stored in covered, sanitized containers that are clearly delineated clean versus soiled. Gloves should be worn when handling soiled laundry.

Green/Low Risk:

- Yellow protocols are strongly recommended.

Blue/New Normal:

- Normal occupancy and activities can resume, with heightened cleaning, standard precautions and awareness of health guidelines TBD.

# MASSAGE THERAPY (CONTINUED)

## EMPLOYEE AND CUSTOMER SAFETY AND TRUST

### Special Measures

#### All Levels:

- Encourage customers to download the Care19 App collection to increase success levels with contact tracing.  
[BeLegendary.link/Care19](https://BeLegendary.link/Care19)

#### Red/Critical Risk

- Recommend closure.

#### Orange/High Risk

- Recommend closure.

#### Yellow/Moderate Risk

- No food or beverage (other than commercially packaged) should be served within the facility.
- Screen clients and employees for symptoms that includes temperature checks.
- Implement client screening questionnaire and advise client of modified appointment safety protocols within 24 hours of appointment.
- Employers should keep thorough daily records of employees and any close contacts.

#### Green/Low Risk:

- Yellow protocols are strongly recommended.

#### Blue/New Normal:

- Normal occupancy and activities can resume, with heightened cleaning, standard precautions and awareness of health guidelines TBD.

# GATHERINGS (CONTINUED)

## MOVEMENT AND ACTIVITY

### Physical Distancing

- Red/Critical Risk
- Only essential services are open.
- Orange/High Risk
- Limit gathering size to 10 people or less.
- Yellow/Moderate Risk
- Allow for proper spacing between groups by keeping at least 2 empty seats or 6 feet between parties in any area, in seating areas.
  - Alternate rows of chairs/bleachers between customers by marking every other row 'closed'.
  - All booths, activities, entertainment, tables etc., should be placed with 10 feet between each in all directions to allow for physical distancing and attendee flow.
  - Tables should be limited to 10 people per table (existing group, for example family).
  - Mark or post directions for lines and waiting areas to maintain physical distancing standards.
  - Post signs directing one-way movement of ingress and egress for participants when possible.
- Green/Low Risk:
- Yellow protocols are strongly recommended with the following exceptions:
    - » Alternating rows not required
    - » Tables can seat more than 10 if part of an existing group, for example family. Maintain distancing between tables.
- Blue/New Normal:
- Normal occupancy and activities can resume, with heightened cleaning, standard precautions and awareness of health guidelines TBD.

### Venue Activity

- Red/Critical Risk
- Only essential services are open.
- Orange/High Risk
- Limit gathering size to 10 people or less.
- Yellow/Moderate Risk
- All attendees should be encouraged to wear cloth masks where social distancing cannot be easily maintained.
  - Encourage use of mobile apps and contactless purchasing and payment. If not available, a barrier should be provided between staff and customers or use of cloth face masks is strongly encouraged for both staff and customers in areas where social distancing is not possible.
  - If cash is accepted, cash is to be put on the counter and not direct into hand. Disinfect the counter after each cash transaction.

## EMPLOYEE AND CUSTOMER SAFETY AND TRUST

### Hygiene and Cleaning

- Self-service cups should only touch the beverage dispenser lever. Beverage stations that are not touch free should be cleaned after each use.
- Disposable cups, straws and utensils should be handled by staff only and served to the customer, be individually wrapped, or dispensed to prevent contamination by the customer.
- Bar straws and coffee stir sticks should only be handled by staff and are served in drinks to customers or individually wrapped.
- Self-service condiments should be eliminated and provided by request in single use or disposable containers.
- All venues should allow for a minimum of 4 hours between closing and reopening daily to clean.

Green/Low Risk:

- Yellow protocols are strongly recommended.

Blue/New Normal:

- Normal occupancy and activities can resume, with heightened cleaning, standard precautions and awareness of health guidelines TBD.

### Special Measures

All Levels:

- Encourage customers to download the Care19 App collection to increase success levels with contact tracing.  
[BeLegendary.link/Care19](https://BeLegendary.link/Care19)

Red/Critical Risk

- Recommend closure.

Orange/High Risk

- Recommend closure.

Yellow/Moderate Risk

- Dance floors are not recommended.

Green/Low Risk:

- Yellow protocols are strongly recommended.

Blue/New Normal:

- Normal occupancy and activities can resume, with heightened cleaning, standard precautions and awareness of health guidelines TBD.

<p><b>COMPLIANCE</b></p>	<p><b>Also Adhere to General Standards for all Industries</b></p> <p>It is critically important that jurisdictions continue to monitor local health criteria (number of cases reported, risk of transmission, level of community spread) and take necessary precautions to protect vulnerable populations to safely determine health guidance and mitigation measures for large gatherings and mass gathering events.</p>	
<p><b>MOVEMENT AND ACTIVITY</b></p>	<p><b>Gathering Size</b></p>	<p>Red/Critical Risk</p> <ul style="list-style-type: none"> <li>• Recommend closure.</li> </ul> <p>Orange/High Risk</p> <ul style="list-style-type: none"> <li>• Recommend closure.</li> </ul> <p>Yellow/Moderate Risk</p> <ul style="list-style-type: none"> <li>• Follow the current large gatherings guidance in the ND Smart Restart Protocols regarding capacity limits (<a href="https://ndresponse.gov/covid-19-resources/covid-19-business-and-employer-resources/nd-smart-restart/nd-smart-restart-protocols">https://ndresponse.gov/covid-19-resources/covid-19-business-and-employer-resources/nd-smart-restart/nd-smart-restart-protocols</a>).</li> <li>• Individual group sizes should be limited to 10.</li> <li>• Provide signage and/or staff to indicate and monitor capacity of pools and water features.</li> </ul> <p>Green/Low Risk:</p> <ul style="list-style-type: none"> <li>• Yellow protocols are strongly recommended.</li> </ul> <p>Blue/New Normal:</p> <ul style="list-style-type: none"> <li>• Normal occupancy and activities can resume, with heightened cleaning, standard precautions and awareness of health guidelines TBD.</li> </ul>

# POOLS AND WATER FEATURES (CONTINUED)

## EMPLOYEE AND CUSTOMER SAFETY AND TRUST

### Hygiene and Cleaning

#### Red/Critical Risk

- Recommend closure.

#### Orange/High Risk

- Recommend closure.

#### Yellow/Moderate Risk

- If recreational pools or hot tubs will be operated, maintain proper disinfectant levels and follow the CDC's Model Aquatic Health Code or your local regulatory authority guidance and regulations (<https://www.cdc.gov/mahc/index.html>).
- Ensure that all water systems are safe to use after a prolonged facility shutdown to minimize the risk of Legionnaires' disease and other diseases associated with water. Satisfactory bacteriological water testing is recommended prior to opening.
- Increase pool chemical monitoring and cleaning/disinfection of high touch/traffic areas. Store chemicals and disinfectants out of reach of children.
- If multi-use items are available at the facility such as pool furniture, life vests, or pool toys, ensure cleaning/disinfecting of those items between each guest and discourage sharing of items that are difficult to clean/disinfect or that come in contact with the face (goggles, snorkels, etc.).
- Provide showering facilities for pre and post swimming such that use is accessible but staggered, and cleaning/disinfecting can occur between users not from the same household.
- Ensure that ventilation systems of indoor spaces are operating properly and increase introduction of outdoor air as much as possible.

#### Green/Low Risk:

- Yellow protocols are strongly recommended.

#### Blue/New Normal:

- Normal occupancy and activities can resume, with heightened cleaning, standard precautions and awareness of health guidelines TBD.

## EMPLOYEE AND CUSTOMER SAFETY AND TRUST

### Special Measures

#### All Levels:

- Encourage customers to download the Care19 App collection to increase success levels with contact tracing.

[BeLegendary.link/Care19](https://BeLegendary.link/Care19)

#### Red/Critical Risk

- Recommend closure.

#### Orange/High Risk

- Recommend closure.

#### Yellow/Moderate Risk

- Encourage customers to use touchless payment options, when available.
- Minimize handling cash, credit cards, reward cards, and mobile devices, where possible.
- When exchanging paper and coin money:
  - » Do not touch your face afterward.
  - » Ask customers to place cash on the counter rather than directly into your hand.
  - » Place money directly on the counter when providing change back to customers.
  - » Wipe counter between each customer at checkout.
- Implement a system in which relief workers rotate into the cashier station to allow cashiers to leave the station to wash their hands regularly.
- Pool and water park venues offering foodservice from concession stands should follow the Restaurant/Bar/Food Truck Smart Restart Protocols.

#### Green/Low Risk:

- Yellow protocols are strongly recommended.

#### Blue/New Normal:

- Normal occupancy and activities can resume, with heightened cleaning, standard precautions and awareness of health guidelines TBD.
